Notice pertaining to transmission of the Desjardins Funds Simplified Prospectus under a preauthorized debit program - October 1, 2012

As a Desjardins Funds unitholder participating in a preauthorized debit program, you received the Simplified Prospectus and its Amendments in 2012, if you had requested it.

The *Autorité des marchés financiers* allows us to waive the legal obligation to send the Simplified Prospectus and its Amendments to investors enrolled in this type of program, if said investors have made no changes to their investment instructions since enrolling in their preauthorized debit program. Therefore, you may now decide whether or not you wish to receive the print version of the 2013 Simplified Prospectus and its Amendments.

You may also consult these documents anytime by following the links

at www.desjardinsfunds.com to the Desjardins Funds page: Information for Investors – Legal and financial publications, or through the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.
