Desjardins launches the Desjardins Global Balanced Strategic Income Fund - June 14, 2016

Desjardins Funds' family of investment products is evolving with the addition of a new fund to better meet investors' needs. The fund is intended for investors seeking regular income and long term capital growth.

Desjardins has retained the expertise of portfolio manager [Wellington Management Company](#) for the management of the fund's investment portfolio, under a mandate with considerable discretion for asset allocation management.

A key differentiator for the [Desjardins Global Balanced Strategic Income Fund](#) is its global diversification in corporate bonds and equities, including emerging markets.

For more information about this new fund, contact your representative.
