PORTFOLIO DESCRIPTION

The Portfolio seeks to provide unitholders with a high income return and some long-term capital appreciation. Consequently, the Portfolio invests mainly in the units of mutual funds which themselves invest in equity and fixed income securities throughout the world. This Portfolio might also hold exchange-traded funds as well as individual equity and fixed-income securities.

CHORUS II CONSERVATIVE LOW VOLATILITY PORTFOLIO

The Desjardins Funds are not guaranteed, their value fluctuates frequently, and their past performance is not indicative of their future returns. The indicated rates of return are the historical annual compounded total returns of the date of the present document including changes in securities value and reinvestment of all distributions and do not consider sales, redemption, distribution or other optional charges, or income taxes payable by any securityholder that would have reduced returns. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The Desjardins Funds are offered by registered dealers.
