Investment Objectives

The Fund seeks to replicate, to the extent reasonably possible and before fees and expenses, the performance of a broad Canadian bond index with a short-term average maturity. Currently, the Fund seeks to replicate the performance of the Solactive Short-Term Canadian Bond Universe TR Index, net of fees and expenses. Under normal market conditions, the Fund will primarily invest in short-term Canadian investment-grade fixed income securities issued in the Canadian market, including government, quasi-government and corporate short term bonds.
