¹ A portion of the distributions could be made up of a capital repayment and would therefore not be immediately taxable.

² Any distribution made in excess of the Portfolio's net income or net capital gains represents a capital repayment for the investor. Any repayment of capital will reduce the Portfolio's net asset value, which could reduce its capacity to generate income thereafter.

Desjardins Funds are not guaranteed, their value fluctuates frequently and their past performance is not indicative of their future returns. Commissions, trailing commissions, management fees and other expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Desjardins Funds are offered by such registered dealers as Desjardins Financial Services Firm Inc., a mutual fund dealer belonging to Desjardins Group that distributes the Funds in caisses throughout Quebec and Ontario.
